

## OHIO STATE CIRCLE OF COLUMBIAN SQUIRES

**“Striving To Become One With God.”**

From the desk of: Gregory R. Hoffman

Worthy Knights and Squires,

I would to thank you for another great year in the Columbian Squires. As I move on to Knights of Columbus I look back at all the great times that I have in the Squires and all the great people I have met. The Squires have been a great influence in my life and I will never forget the things I have learned from this great organization. As I move on to the Knights I will continue to promote the Squires in everything I do, and try to achieve the State Chief Squire's goal of ten new circles in the State.

We have seen many improvements this last year in attendance of State retreats and tournaments. We have grown a lot in the last year but I think that we can grow more. So this year my main challenge to all Squires is to start four new Squires Circle in each Diocese. This may seem like an impossible task but I believe that we can get those Circles. We are untied as Squires and as brothers in the Catholic faith so this year the theme is “Striving To Become One With God”. This is to unify the Squires to come together and work as one for the good of all. This year I hope to see all the Circles from Ohio at many of the State Events. As always the main goal for this year is to increase membership and to add new circles.

In closing, I would like to congratulate Tommy Petrushka, the new State Chief Squire on his election and to wish him luck in this upcoming year.

Esto Dignus,

S.K. Gregory R. Hoffman
