

COLUMBIAN SQUIRES

Striving to become one with God

Worthy Squires and Brother Knights,

I would like to congratulate everyone on a very successful year last year and with the new State Squires Officers we have great expectations this year.

This year's theme for the Ohio State Circle Columbian Squires is "*Striving to become one with God*". The outlook from the State Squires officers is very promising – they have committed themselves to better the lives of all the youth in the state by giving of their time and service to the state circles.

I am asking the Counselors to keep their calendar of events handy when planning your local events and **mark your calendars** of all the state events so that you and your squires may plan to attend these great activities. We have a great program scheduled for this coming year under the guidance of our State Father Prior, Fr. F. Richard Snoke. I want to encourage all Squire Circles to get involved with their churches and communities. Also, please send in your required forms to Supreme, with a copy sent to me.

At the Convention this year we are very pleased that we had increased participation from the circles. With the help of the State Squire's Officers and Counselors, we are looking into other options for next year's convention that might be able to serve our needs even better.

If you need any activity report forms or any assistance, please don't hesitate to contact me at: home – 740-782-1235, cell – 740-310-0314, or email schu@windstream.net.

Thanks and God Bless,
